ACT

**DID YOU KNOW?** Corporations VOTED to adopt this. Through ALEC, global companies work as "equals" in "unison" with politicians to write laws to govern your life. Big Business has "a VOICE and a VOTE," according to newly exposed documents. **DO YOU?**

**Free Market Constitutional Amendment**

*"It is the policy of the state of \_\_\_\_\_ that a free enterprise system shall govern trade and commerce in this state to promote the dispersion of economic and political power and the general welfare of all the people.*

**ALEC EXPOSED**

"ALEC" has long been a secretive collaboration between Big Business and "conservative" politicians. Behind closed doors, they ghostwrite "model" bills to be introduced in state capitols across the country. This agenda-underwritten by global corporations--includes major tax loopholes for big industries and the super rich, proposals to offshore U.S. jobs and gut minimum wage, and efforts to weaken public health, safety, and environmental protections. Although many of these bills have become law, until now, their origin has been largely unknown. With **ALEC EXPOSED**, the Center for Media and Democracy hopes more Americans will study the bills to understand the depth and breadth of how big corporations are changing the legal rules and undermining democracy across the nation.

Is there a  
Constitutional  
Amendment in  
your state?

Center for Media  
and Democracy's  
summary:

This Amendment to a state constitution is likely intended to provide a basis for overturning state policies that conflict with right-wing ideology. For example, minimum wage laws, zoning and land use laws, race- or gender-conscious policies, housing subsidies or rent controls, and perhaps even environmental standards may all arguably interfere with the "free market" and be found unconstitutional if this proposed Amendment were adopted.
